The Ladies line is designed for those women with an active lifestyle. Each of these styles is versatile and adds comfort and performance to any busy schedule. Vapor Apparel has improved the cuts and added new colors in each of the fabrics for the best customer satisfaction. The Ladies Touch is not like any other fabric we create. The blend of our spun polyester with Lycra offers extra comfort and style to this line of garments.

**Ladies Classic**

Our Ladies Classic is made from the Ladies Touch material—unlike any other fabric we create. It features a relaxed fit and crew neck, double stitch seams, and four-thread over-lock for durability.

- **Style:** A2LJBC
- **Fabric:**
  - White: 100% Spun Polyester
  - Colors: 93% Spun Polyester/7% Lycra
- **Weight:** 6.5 oz (White: 6.9 oz)
- **Sizing:** XS-3XL

**Ladies Slim Fit**

The Slim Fit Tee combines fashion and performance. Featuring cap sleeves, contoured sides, and a crew neck, the Slim is also enhanced for durability with double stitch seams, and four-thread over-lock.

- **Style:** L200
- **Fabric:**
  - 93% Spun Polyester
  - 7% Lycra
- **Weight:** 6.5 oz

SubliSocks™ from Vapor Apparel are a great margin-opportunity for decorators. Sublimation customization in the apparel industry shows no sign of slowing down, and the trend is now expanding to things outside traditional t-shirts and performance tops. Vapor’s sublimation-friendly performance SubliSocks are available in three styles – Training (11”), Crew (7”), and Short (3.5”) – providing end-customers more options for sublimation.

**The “Training” Vapor SubliSock™** offers an 11-inch leg length. SubliSocks™ black toe and heel flap help prevent creasing marks during the sublimating process, deliver a professional finished product for customers.

**Style:** S-8031
**Fabric:** 95% Polyester, 5% Lycra
**Leg Length:** 11”
**Sizing:** 8-10 (S-8031C); 9-11 (S-8031B); 11-13 (S-8031A)

**The “Crew” Vapor SubliSock™** offers a 7-inch leg length. SubliSocks’™ black toe and heel flap help prevent creasing marks during the sublimating process, deliver a professional finished product for customers.

**Style:** S-8021
**Fabric:** 95% Polyester, 5% Lycra
**Leg Length:** 7”
**Sizing:** 8-10 (S-8021C); 9-11 (S-8021B); 11-13 (S-8021A)

**The “Short” Vapor SubliSock™** offers a 3.5-inch leg length. SubliSocks’™ black toe and heel flap help prevent creasing marks during the sublimating process, deliver a professional finished product for customers.

**Style:** S-8011
**Fabric:** 95% Polyester, 5% Lycra
**Leg Length:** 3.5”
**Sizing:** 8-10 (S-8011C); 9-11 (S-8011B); 11-13 (S-8011A)

**The SubliSock™ Decorating Kit** will help you deliver great results to your customers looking for custom socks. Your SubliSock™ Decorating Kit includes the following:
- Two fiber-reinforced plastic press “Hockey” inserts
- One pair of “Training” length SubliSocks™ (11” leg length)
- One pair of “Crew” length SubliSocks™ (7” leg length)
- One pair of “Short” length SubliSocks™ (3.5” leg length)
- Detailed decorating instruction sheet
- Access to SubliSock™ decorating templates

**Style:** SOCKKIT1

The “Hockey” press insert provides digital decorators the ability to stretch the sock during heat pressing, helping to minimize “grin-thru” of untreated white fabric when the socks are expanded over the calf during wear.

**Style:** 10-Pack - INSERT1H
**Style:** 25-Pack - INSERT2H

The “Straight” press insert provides digital decorators the ability to stretch the sock during heat pressing, helping to minimize “grin-thru” of untreated white fabric when the socks are expanded over the calf during wear.

**Style:** 10-Pack - INSERT1S
**Style:** 25-Pack - INSERT2S
