

PENNEDGE®

PRODUCT SPECIFICATIONS

Stand out while seamlessly blending in with PennEdge® Embroidered Emblems. Using the selected shirt's fabric, emblems are matched to produce a low-profile appearance; when adhered, the separation is almost unnoticeable and simulates direct embroidery. PennEdge® can be used with any shape, no matter how intricate and can be custom fit to your design. These professional style emblems are ideal for business wear such as polos, collared shirts, uniforms, and other Industrial Garments.
