PennDome

Upgrade your standard emblems into fascinating three-dimensional works of art! PennDome Patches print graphics in high resolution color that are protected with a durable clear polyurethane dome. This high-impact product has a rich glass-like finish that doesn't wear away or scratch.

These versatile PennDome Patches can be created with full or single color and a variety of shapes and sizes. With increased durability, not only can PennDome be used on garments, but also to brand equipment and appliances. Suitable for a variety of different industries, these patches can be adhered to multiple surfaces such as Microfiber, Suede, Felt, Cotton, Polyester, Nylon, Cordura, Plastic, Glass and Metals.
