EMBLEM OPTIONS

PENNFLEX™

PennFlex™ is an award-winning, 3D, thermoplastic emblem. This innovative design is lightweight, flexible, durable, and can be finished in matte or metallic to deliver the appearance of depth.

PENNBROIDERY® APPLIQUÉ

PennBroidery® Appliqué Emblems, also known as Hand Cut or Laser Cut, have a similar look and feel to embroidery with the ability to have more unique shapes and cut outs.

DYE SUBLIMATION

Dye Sublimated emblems are the perfect match for your highly detailed design. Using the sublimation process, designs are full color and the ideal photo finish image recreation.

CUSTOM EMBROIDERED

Custom Embroidered Emblems are a timeless, reliable choice that withstands all wash conditions. They are available in any shape with a variety of color and backing options.

LEATHER

Leather emblems are a timeless, classic, rustic addition for all garments. The sleek, smooth texture provides an edgy appearance while the warm, earthy colors add dimension and style.

PENNTTRANS® HEAT TRANSFER

PennTrans™ Heat Transfers utilize the latest print technologies to produce bright, vivid colors with fine detail, while also being suitable for a wide variety of fabrics and sub straights.

CHENILLE

Chenille emblems embody the classic, letterman jacket for school pride. They are made of 100% Polyester Yarn and can be combined with felt or twill to create the perfect statement piece.

PENNWEAVE® WOVEN

PennWeave® Woven Emblems are ideal for intricate designs, gradients, and small lettering. The smooth surface brings your artwork to life with precision stitching similar to embroidery.

PENNETCH®

PennEtch® Emblems are an etched, micro suede patch that utilizes the latest laser technology to provide high quality detail. This emblem is lightweight and soft.
