

EMBROIDERED HANDCUT

PRODUCT SPECIFICATIONS

Embroidered Handcut Emblems are the cost-effective comparison to Direct Embroidery with the bonus ability to have cut outs inside the emblem. Also known as PennBroidery® Appliqué or Laser Cut, these emblems are ideal for a variety of industries such as Fashion and Sports because they can easily replicate intricate designs that have empty space within the logo. Handcut Emblems can withstand harsh working conditions as well as industrial laundering making them fit for uniforms and workwear.
