CINTAS
READY FOR THE WORKDAY[™]

Rental Uniform

Emblems that are durable and comfortable, and can withstand as many hours in a garage, plant, or shop as you do. Logo and name emblems are a traditional part of any employee uniform - fully customizable to match industry trends and withstand the rigors of the industrial laundering process.

SILICONE TRANSFER

EMBLEM & BARCODE TAPE OPTIONS

NAME/LETTERING ONLY

Name/Lettering Only emblems are ideal for customers with no logo or specific image, or who need a simple name badge. It can be embroidered, silk-screen printed or sublimated with Script or Block text.

PENNBROIDERY® APPLIQUÉ

PennBroidery® Appliqué Emblems, also known as Hand Cut or Laser Cut, have a similar look and feel to embroidery with the ability to have more unique shapes and cut outs.

COLORPRINT® SUBLIMATED

Dye Sublimated emblems are the perfect match for your highly detailed design. Using the sublimation process, designs are full color and the ideal photo finish image recreation.

L5X

L5X Embroidered Emblems are a timeless, reliable choice that withstands all wash conditions. They are available in any shape with a variety of color and backing options.

PENNEDGE®

PennEdge® Embroidered Emblems give your brand the edge it needs to stand out while seamlessly blending in. Using actual shirt fabric, emblems are matched to produce a low profile appearance.

REFLECTIVE

These durable reflective patches are made of Scotchlite™ by 3M, providing enhanced visibility to keep workers safe in dim light/darkness, fog/smoke or inclement weather.

HIGH VISIBILITY

High Visibility emblems are made of fluorescent materials and threads that reflect more light than they absorb and are highly visible in daytime and low light conditions.

PENNSTITCH®

PennStitch® Embroidered Emblems are made to simulate the look and feel of a polo shirt and are made with 100% polyester thread and fabric.

FLAME RESISTANT

FR Emblems have the look and feel of embroidered emblems but have the added protection and durability of 100% flame resistant fibers, combining safety with identification.

PENNTXT® SCREENPRINT

Screen Printed emblems are durable to withstand harsh working conditions and have a quick turnaround for large quantities. PennText® utilizes the screen printing process to make the perfect option for simple jobs.

BLANKS

Use crisp, smooth blank emblems in your own embroidery work, screen printing or sublimation applications or write on them with Penn Emblem Laundry Pens.

BARCODE LABELS

With extended durability and color retention for improved scan rates, Thermal Label Tape improves your budget, inventory control, and labor hours.
