COMMEMORATIVE

(CAMPS/PARKS/MUSEUMS)

Embed your favorite memories in unique emblems for identification purposes and to keep as a souvenir. Commemorative patches are ideal for summer camps, sports games, national parks and museum gift shops. With the ability to be sewn in or heat sealed on apparel, backpacks, hats and more, these patches are the perfect keep sake.

TRENDING OPTIONS

PENNFLEX™

PennFlex™ is an award-winning, 3D, thermoplastic emblem. This innovative design is lightweight, flexible, durable, and can be finished in matte or metallic to deliver the appearance of depth.

PENNBROIDERY® APPLIQUÉ

PennBroidery® Appliqué Emblems, also known as Hand Cut or Laser Cut, have a similar look and feel to embroidery with the ability to have more unique shapes and cut outs.

LEATHER

Leather emblems are a timeless, rustic addition for your commemorative items. The sleek, smooth texture provides an edgy appearance while the warm, earthy colors add dimension and style.

CUSTOM EMBROIDERED

Custom Embroidered Emblems are a timeless, reliable choice that withstands all wash conditions. They are available in any shape with a variety of color and backing options.

SILICONE

Silicone Emblems and Transfers are one of the most trending design techniques of the year. These 3D, flexible, smooth emblems are durable in harsh conditions and never fade over time.

DYE SUBLIMATION

Using the sublimation process, designs are full color and the ideal photo finish image recreation for promotional products, branding, garments, hats, bags and more!

CHENILLE

Chenille emblems embody the classic, letterman jacket for school pride. They are made of 100% Polyester Yarn and can be combined with felt or twill to create the perfect statement piece.

PENNWEAVE® WOVEN

PennWeave® Woven Emblems are ideal for intricate designs, gradients, and small lettering. The smooth surface brings your artwork to life with precision stitching similar to embroidery.

PENNETCH®

PennEtch® Emblems are an etched, micro suede patch that utilizes the latest laser technology to provide high quality detail. This emblem is lightweight and soft.
