SAFETY & SECURITY

PENNFLEX™

Emblems promote safety and security, giving uniforms a recognizable badge to ensure trust between safety and security personnel and the public. Emblems can be made with traditional fabrics and threads or increase visibility and security with High Visibility and Reflective options. Branded uniforms ensure that firefighters and EMS personnel can be trusted when arriving on a scene. With flame resistant fabrics and threads available, fire and electrical companies don't have to sacrifice branding to ensure the safety of their employees.

TRENDING OPTIONS

PENNFLEX™

PennFlex™ is an award-winning, 3D, thermoplastic emblem. This innovative design is lightweight, flexible, durable, and can be finished in matte or metallic to deliver the appearance of depth.

PENNBROIDERY® APPLIQUÉ

PennBroidery® Appliqué Emblems, also known as Hand Cut or Laser Cut, have a similar look and feel to embroidery with the ability to have more unique shapes and cut outs.

FLAME RESISTANT

FR Emblems have the look and feel of embroidered emblems but have the added protection and durability of 100% flame resistant fibers, combining safety with identification.

CUSTOM EMBROIDERED

Custom Embroidered Emblems are a timeless, reliable choice that withstands all wash conditions. They are available in any shape with a variety of color and backing options.

PENNDUO®

PennDuo® Emblems combine the timeless, dimensional effects of embroidery with the fine details of woven emblems. This style is ideal for small lettering and complicated images.

REFLECTIVE

These durable reflective patches are made of Scotchlite™ by 3M, providing enhanced visibility to keep workers safe in dim light/darkness, fog/smoke or inclement weather.

HIGH VISIBILITY

High Visibility emblems are made of fluorescent materials and threads that reflect more light than they absorb and are highly visible in daytime and low light conditions.

PENNWEAVE® WOVEN

PennWeave® Woven Emblems are ideal for intricate designs, gradients, and small lettering. The smooth surface brings your artwork to life with precision stitching similar to embroidery.

PVC

PVC emblems add a modern dimension and depth to your garments, hats, and bags. PVC emblems never fade, crack or peel, maintaining clarity and detail.
